Chapter 1

The websites of National Statistics offices contain a good source of information on how the national accounts are compiled as well as macroeconomic data sources. For the UK, visit the Office for National Statistics at www.statistics.gov.uk. For the US, visit the Bureau of Economic Analysis at www.bea.gov and the Bureau for Labor Statistics at www.bls.gov.

Information on the Bank of England's macroeconomic model can be found at www.bankofengland.co.uk/publications/other/beqm/index.htm.
