

Chapter 13

AGMA

<http://www.agmaglobal.org>

The Alliance for Gray Market and Counterfeit Abatement is a strategic initiative composed of leading high technology companies committed to addressing the global impact of the gray market and counterfeiting of goods on the technology industry.

CANON INC.

<http://www.canon.com>

Canon started out as a company with a handful of employees and a burning passion. That company soon became a world-renowned camera maker and is now a global multimedia corporation. However, the origins of our success remain unchanged: the passion of our early years and technological expertise amassed over more than 60 years. Canon will continue using its technologies to benefit people as it pursues its objective of becoming a company that is loved by people throughout the world.
