

# CHAPTER 14

## Technology and work

### LEARNING OBJECTIVES

After studying the chapter content and working through the associated Management in Action panels, Employee Perspectives, Discussion Questions and Case Study, you should be able to:

- **Understand what is meant by the term technology and how it influences both the operational activities found within organizations and jobs that people undertake.**
- **Explain the impact of technology on the organizations that employ it.**
- **Outline the relationship between technology, politics and change in managerial decision making.**
- **Discuss the relationship between technology and control.**
- **Appreciate how the application of technology can result in alienation and the degradation of labour.**
