

Process in action

John McGavigan Automotive (contd.)

Update

Pressac's financial difficulties deepened. McGavigan was bought by another US company, Advanced Decorative systems, but the recession on the automotive industry forced the company into receivership recently (reported by KPMG). See:

<http://rd.kpmg.co.uk/mediareleases/15021.htm>

McGavigan are still in business thanks to a management buyout reported in the local press. <http://www.kirkintilloch-herald.co.uk/news/Pay-cut-to-save-jobs.5878030.jp>
